

THE POSITIVE NETWORK ASK LITA COMMUNITY OUTREACH

High School Partnership Program

The Positive Network Company is looking for a high school partnership for 2019. The school of choice is recognized for high levels of diversity and a need for student job readiness support. Available for **grades 9 – 12**, **teachers and school staff are asked to suggest up to ten students** with **demonstrated willingness to learn, a respect for adults and evidence of the capacity to commit** to doing the work required for success.

Lita Williams, marketing strategy consultant and business owner, Business People Connection llc, dba The Positive Network Company, offers community outreach for high school students in Portland, Oregon. The program includes image consulting, entrepreneurial best practices, career planning assistance, internship opportunities and helpful resources. Lita has more than twenty years of work experience supporting businesses, entrepreneurs and professionals. Young people are invited to ask Lita for insight and the steps that can help achieve career goals.
